Subject: Support for the Rhode Island Voting Rights Act (S3143)

You don't often get email from jenapiccolo@gmail.com. [Learn why this is important](#)

My name is Jena Piccolo, and I am writing to voice my strong support for the Rhode Island Voting Rights Act (S3143). This legislation is essential to safeguarding the right to vote for all Rhode Islanders, strengthening protections for minority communities, and holding accountable those who attempt to disrupt or undermine our elections. Since the passage of federal voting protections in 1965, many of those safeguards have been weakened, and there are ongoing efforts that threaten to restrict access to voting even further.

This issue rises above politics—it is fundamental to our democracy. I urge you to take action to defend the rights of all residents, protect the integrity of our elections, and uphold the principles enshrined in the Constitution.

Thank you for your consideration,

Jena Piccolo
