Dear Chairman LaMountain,

My name is Kristen Cashman and I am a resident of Tiverton. I am writing to express my strong support of S3143.

I am in support of S3143 because *voting rights are a crucial cornerstone of our endangered democracy and we need to protect them*. The RIVRA will provide a means by which we can challenge election practices that deny or abridge the voting strength or access of voters in underrepresented groups. In other words, the RIVRA would make it illegal for governments to prevent people from exercising their right to vote.

I hope the Senate Judiciary Committee will pass S3143.

Thank you for your consideration.
