Dear Committee Chair LaMountain and Committee Members,

I am Margaret Rogers, a resident of Cranston Rhode Island. I am writing to express my strong support of the RI Voting Rights Act (S3143). This bill will protect voting rights for all Rhode Islanders, clearly support minority rights for all groups, and impose penalties for those interfering in elections.

Federal protections have been eroded significantly since the original federal legislation in 1965. The current administration clearly intends to further limit voting. This is not a partisan issue, this is an American issue. Please act to protect my rights and the rights of my neighbors and uphold the Constitution.

Thank you for your attention to this matter and for your support,

Margaret Rogers
