Dear Chair LaMountain and Committee Members,

I am writing to urge your support for the RI Voting Rights Act (S3143).

Given the erosion of federal voting protections since 1965, we need state-level action to ensure that every Rhode Islander's voice is protected. This bill provides the necessary safeguards for minority rights and creates much-needed accountability for election interference.

Please prioritize the rights of your constituents and the health of our democracy by moving S3143 forward.

Thank you for your service,
Mark S. Johnson
