Testimony in Support of S 3143-Voting Rights Act

Dear Honorable Members of the Senate Judiciary Committee,

I am writing in strong support of Senate Bill 3143. My name is Nancy Kellner and I am a Rhode Island resident.

Given the current situation at the Federal level I am very concerned about voting rights being abridged or disappearing. This bill which will support minority rights as well as adopt penalties for interference is painfully necessary at this time.

This is not partisan, not left or right. Voting is essential to the preservation of our democracy. Please act to protect my rights and the rights of all Rhode Islanders.
