Dear Honorable Chair LaMountain and honorable members of the Senate Judiciary:

Please support S3143 AN ACT RELATING TO ELECTIONS -- RHODE ISLAND VOTING RIGHTS ACT.

In this time of turmoil, protecting voters' rights is paramount. RI has a secure election system and our residents take voting very seriously. Our election workers are our neighbors, family and friends. Election fraud is already a federal crime. Unfortunately, there are some who would like to place undue burdens on our residents to prevent them from voting.

I am not only a resident but an elected town councilor and I can attest to the important work that happens in our town during election season.

Thank you for your work.
