To The Senate Judiciary Committee:

I urge you to support this extremely important Voting Rights Act, S-3143/H-8334. We have watched the Federal Government blatantly erode voting rights throughout the country, and it will continue to do so as the mid-term elections get nearer. The Federal Government is moving us toward dictatorship as swiftly as it can, and it will be crucial to protect the midterm elections through state protections like this one.

Please keep Rhode Island Independent!

Sincerely,

Sarah Gleason
