Members of the Judiciary Committee:

I am writing to urge your positive action on S 3141.

Making voting available to all citizens provides the beating heart of our democracy.

The Landmark Federal Voting rights Law has unfortunately been weakened over tie with a concomitant loss of voting protections, particularly for minority voters. It is essential to enact legislation now so that this will not happen in Rhode Island.

Please support s-3143 and take all steps necessary to uphold the right for ALL to vote in this great stat. .
