Senators and the Senate Judiciary Committee:

I am asking the Senate Judiciary Committee and the full Senate to pass the Rhode Island Voting Rights Act S-3143 as soon as possible. I support this bill. I feel that the Federal Government is looking to take away the states rights to control voting. These are scary times and action to protect RI voters must be taken now. I am a Rhode Island Resident and the success of future Rhode Island elections is in your hands.

Thank you.
