Dear Committee Chair LaMountain and Committee Members,

My name is Susan Lepore and I am writing to express my strong support of the RI Voting Rights Act (S3143). This bill will protect voting rights for all Rhode Islanders, while the Federal government is attempting to limit the access of those they don't view as "true" Americans to the ballot box. We must clearly support minority rights for all groups and impose penalties for those interfering in elections so the residents of our state will be protected.

This is not a partisan issue, this is an American issue. The government's role in voting should be to ease the process so all eligible voters can vote. Please act to protect my rights and the rights of my neighbors and uphold the Constitution.

Thank you,
Susan Lepore
