Dear Senate Judiciary Chair LaMountain and Committee Members,

My name is Susan Williamson and I am a resident of Bristol, Rhode Island.

I'm writing to express my strong support for the RI Voting Rights Act (S3143).

This Bill will protect voting rights for all Rhode Islanders, support all minority groups and impose penalties for anyone interfering in elections.

Federal protections have been eroded over the years and the trump regime openly intends to severely limit and, in many cases, illegally tamper with the entire election process.

This is, in no way, a partisan issue; it is an American issue. I care for our neighbors, our communities and our democracy.

Please vote to support RIVRA (S3143) and, in doing so, protect my rights and those of my neighbors and upholding the Constitution of the United States of America.

Thank you, Susan

Susan Williamson
