Dear Members of the Senate Judiciary Committee,

I am writing to strongly express my support of, and to request your strong support of *The Rhode Island Voting Rights Act (S-3143/H-8334)* - and of equal importance, I am asking for your support for *S-2590 (to implement Ranked Choice Voting in Presidential Primaries starting 2028)* and *S-2951 (to implement Ranked Choice Voting in municipal elections)*.

The above bills are each straightforwardly pro-democracy, pro-American, patriotic, and conservative in principle. The RI Voting Rights Act simply protects and enshrines the principles and the mechanisms that govern the way our national democracy is meant to function. That is the definition of conservative – to conserve the principles that govern the way we vote as Americans.

The two Ranked Choice Voting bills are reforms that strengthen the principle of majority rule and will help to reduce the polarization of our current politics. As reforms, they are in alignment with the democracy envisioned by the founders of this great nation.

Please vote for these bills. Thank you for the work you do on behalf of all Rhode Islanders, and for your commitment to American democracy!

Sincerely,

Theodoe R. Herman
