hello,

i am holly holmes of warren. i have worked at the polls here for a national election, and the most important thing to me was seeing people of all backgrounds and abilities come in to vote. i will never forget one woman who was clearly underprivileged, as well as almost completely blind and quite deaf, coming in and asking for help to vote. another poll worker and i did our best and the voter was able to cast her ballot.

i ask that you support RIS3143 so that everyone in our state can exercise their constitutional right to vote for candidates of their choice.

thank you!

sincerely
