**Subject:** Senate Bill No. 3048

Dear Chair Burke, Vice Chair Patalano, Secretary Thompson, and Members of the Senate Labor and Gaming Committee,

My name is David Brunetti, I live in Burrillville and I support Senate Bill S 3048.

Did you know that local gamblers are using a dangerous loophole in the law to place bets on dog races taking place elsewhere? This is happening even though the state definitively prohibited dog racing in 2010! Simulcast wagering props up the cruelty of greyhound racing and is contrary to the state's strong animal welfare policies.

Therefore, I urge you to **SUPPORT S 3048** to end all forms of greyhound gambling in the Ocean State.

Sincerely,

David A. Brunetti
