Subject: Zurier proposed bills

Hello,

My name is Maria Andreozzi. I am strongly against the following proposed bills by Sentator Zurier: # 745, # 746, and # 747. As a Providence educator for over 25 years, I cannot believe how we are always targeted when we give so much. It is beyond incomprehensible to understand how people in power continue to want to take away from us when we dedicate so much to our job and students. Please reconsider his proposal. Many teachers have left Providence and many new teachers do not want to come to our district because of the way we are treated. It is not to anyone's benefit to pass these bills.
